

# CASINO MATERIALS

You can deny, if you like, nearly all abstractions:  
justice, beauty, truth, goodness, mind, God. You  
can deny seriousness, but not play.

(Johan Huizinga, Homo Ludens)

TablesWin produces fully customizable gaming tables and casino equipment. TablesWin represents the connection between technology, design and art. A company born as derived by the “Meneghetti Mobili” furniture brand, an established artisan joinery from Bassano already present in the market for 30 years. From the union between experience and the freshness of new technology emerges TablesWin, a company that can create the “**sartorial**” **product**, stitched to perfection on the desire of the customer. An enchanting result, thanks to the use of the best raw materials and to a maniacal pursuit of perfection in the details.

**TablesWin reinvents the craftsmanship**, building to the manufacturing tradition and also through the use of the most modern technologies, thanks to the main company's engine: the passion and devotion to a complex craft. Charming and immortal TablesWin is able to design and develop products that go beyond the simple object, becoming true masterpieces.
