

SLIDEAT

Genius is play, and man's capacity for achieving genius is infinite, and many may achieve genius only through play.

(William Saroyan)

TablesWin produces fully customizable gaming tables and casino equipment. TablesWin represents the connection between technology, design and art. A company born as derived by the “Meneghetti Mobili” furniture brand, an established artisan joinery from Bassano already present in the market for 30 years. From the union between experience and the freshness of new technology emerges TablesWin, a company that can create the “**sartorial**” **product**, stitched to perfection on the desire of the customer. An enchanting result, thanks to the use of the best raw materials and to a maniacal pursuit of perfection in the details.

TablesWin reinvents the craftsmanship, building to the manufacturing tradition and also through the use of the most modern technologies, thanks to the main company's engine: the passion and devotion to a complex craft. Charming and immortal TablesWin is able to design and develop products that go beyond the simple object, becoming true masterpieces.

SLIDEAT

SLIDEAT

Slideat is a table accessory placed under the table at each player position. It's a multi-function accessory:

1. a support for mobile phones with a USB connection for charging
2. drinks holder
3. holder for keys, coins etc.
4. tray for food plates

CONSUMER NEEDS ANALYSIS

Going to eat, drink and charge the phone are the main reasons that cause the players to leave the tables. Slideat offers a solution to all of these circumstances, adds to player comfort and ensures that they spend more time at the tables. At the same time Slideat resolves the problem of the need for auxiliary drinks tables that are scattered around the gaming room and inevitably end up being knocked over causing spillages.

FUNCTIONS

With Slideat players can charge their phones and put them in the dedicated space, order food and drinks and put their keys, coins, or any other small items in the pin tray. When not in use Slideat slides conveniently under the table out of sight.

HOW IT WORKS - PLAYER

When the player presses the dial button, a call goes directly to the bar or to the floor manager, sending an alert indicating the table and the seat number. When the order is processed, the operator will close the alert.

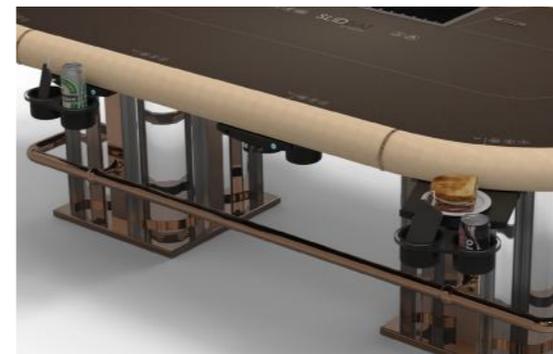

The player presses the dial button that turns on.

1

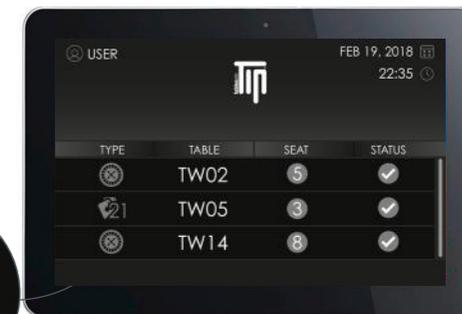

The waiter or the bar receives the alert with the table and the sitting.

2

The order arrives at the table and the player can enjoy his food or drink.

3

The operator goes to the table and take the order, when this one is processed, the waiter closes the alert and the dial button turns off.

4

DEALER (OPTIONAL)

The system also provides a call button for the dealers so they can request the presence of the Floor Manager.

HOW IT WORKS - DEALER

Dealers can press the dial button to call the Floor Manager for any problem. At the same time the Floor Manager can control the trend of the dropbox of each table in the Casino.

OPTIONAL ALERT

FLOOR MANAGER RECEIVES THE CALL

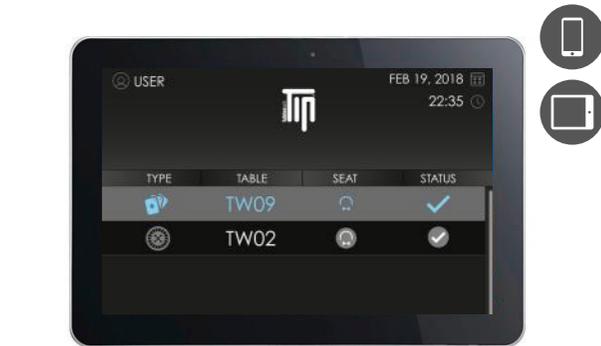

OPTIONAL DROPBOX

FLOOR MANAGER SUPERVISES THE TREND OF THE DROPBOX

1. The dealer presses the dial button that turns on.

2. The floor manager receives the alert and goes to the table to see which is the problem.

1. With the tablet the dealer types the amount added in the dropbox.

2. The floor manager can supervise the trend and the status of the table.
