Wide market access and portfolio of technologies and expertises. We create gaming tables to satisfy the needs of casino.

# M I S S I O N

Our products are born from innovative ideas, and built with care and attention to the details. Tableswin uses only high quality materials of different kind: refined briar-root, rosewood, lime wood, cerry and oak. Highly skilled in painting and inlaying, as well as in the meticulous applications of gold leaf, the Tableswin artisans replicate age old tech niques to create signature pieces. The modern design finds its new style basing on the most classic tradition. This, the key concept of Tableswin tables. With a production 100% Italian, Tableswin tables are characterized by natural material eco-friendly, water base colours, inimitable nuances. The company represents the connection among technology, design and artistry.

## OUR VALUES

We deeply believe in few but important values: the concept of Quality, Traditional craftsmanship and Made in Italy. The experience and know-how accrued by Tableswin are fully at disposal of playing rooms and Casinos for their specific needs. Working the material into new shapes which emerge from creativity. Gestures and features able to transmit the pleasure of touching, a pleasure that can only come from artisan experience. These are features of Tableswin tables, a true creative workshop where the mastery of tradition meets the best technological quality. Tableswin works with skill, mind and heart to create products that will last over the years.

# H I S T O R Y

TablesWin produces gaming tables and casino equipment fully customizable. TablesWin represents the connection between technology, design and art. A company born, as derived by the "Meneghetti Mobili" furniture brand, established artisan joinery from Bassano already present in the market for thirty years. From the marriage between experience and the freshness of new technology, emerges TablesWin, a company that can create the "**sartorial**" **product**, stitched to perfection on the desire of the customer and that can enchant thanks to the use of the best raw materials and a maniacal striving for perfection in the details. **TablesWin reinvents the craftsmanship**, giving value to the manufacturing tradition and contextualizes masterfully through the use of the most modern technologies thanks to the main company's engine: the passion and devotion to a complex craft, charming and immortal, able to design and develop products that go beyond the simple object, becoming true masterpieces.
